## Terms of Coverage

You must qualify for coverage under BC Life & Health's established guidelines. A brief review of health and claims history will be completed.

**Important Note:** To be eligible for a guarantee issue plan under the Health Insurance Portability and Accountability Act (HIPAA), a person must, among other things, have been most recently covered under an employer plan. A Short-Term plan is not an employer plan. Therefore, most recent coverage under a Short-Term plan will make a person ineligible for HIPAA guarantee issue plans.

Please contact your agent for information about other individual coverage options. Approved and enrolled members will receive a BC Life & Health subscriber identification (ID) card and a policy booklet. The policy gives a comprehensive description of what is covered and what is not covered under the plan and may be requested in advance by calling Customer Service at 800-333-0912.

## Effective Date of Coverage

If you are approved, coverage begins at 12:01 a.m. on the date following the postmark date on the envelope or the day after the application is received via fax.

## How To Calculate Your Premium

1. Find your county to determine your Area.
2. Choose the deductible you prefer.
3. Find the age range of the applicant\* (as of the effective date) to determine the per-day rate.
4. Multiply the per-day rate by the number of days selected (Section 2B on the enrollment application) to determine premium.

\*Use the age of the younger spouse for Subscriber and Spouse or Family plans or the age of the youngest child for children-only plans.

### Example of a Premium Calculation:

**Jim, 33, and Jean, 28,** live in Riverside County (Area 6). They choose the \$1,000 Deductible Plan. They select 75 days of coverage.

#### **Subscriber + spouse rate, based on age of younger spouse (age 28)**

Per-day rate = \$4.51

$\$4.51 \times 75 \text{ days} = \$338.25$  (Total Premium Due)

## 9. Application Conditions and Agreement **IMPORTANT:** It is important that you carefully read and fully understand the following.

### Agreements and Understandings (all applicants)

By applying for coverage, I, the undersigned, agree to the following:

1. BC Life & Health may decline my application. No coverage comes into effect until BC Life & Health approves this application and informs me in writing. The effective date of my coverage, if this application is accepted, will be indicated on the identification card and/or assigned by BC Life & Health at its discretion.
2. Cashing my check does not mean my application is approved. If this application is declined, neither BC Life & Health nor any affiliated company shall have any liability to me or any one else listed on it, except for the obligation to return the money submitted with this application.
3. The selling agent has no authority to promise me coverage or to modify BC Life & Health underwriting policy or the terms of any BC Life & Health coverage.
4. Any of my dependents listed on this application who are over the age of 18 years have read this application and have provided complete and accurate information for this application. Also, I have done everything necessary to be able to assure you that all information about any children under the age of 18 listed on this application is true and complete to the best of my knowledge and belief. I understand and agree that I alone am responsible for the accuracy and completeness of this application. I understand and agree that no one listed on this application will be eligible for coverage if any information is false or incomplete and that BC Life & Health may revoke coverage if it discovers that any information on this application is incomplete or false.
5. If the applicant is a minor, I accept full legal and financial responsibility for the coverage and information provided on this application. (Court documents establishing guardianship must be submitted if the responsible adult is not the parent.)
6. I understand BC Life & Health may use any information prior to the effective date of coverage in considering my application, including medical conditions which occur after the signature and before the original effective date.

**HIV TESTING PROHIBITED:** California law prohibits an HIV test from being required or used by health insurance companies as a condition of obtaining health insurance.

BC Life & Health Insurance Company (BCL&H) is an Independent Licensee of the Blue Cross Association (BCA). The Blue Cross name and symbol are registered service marks of the BCA.

**I have personally read and completed this application.** If I am accepted, this application will become part of the contract between BC Life & Health and me. Any enrolled family members and I agree to abide by the terms of that contract. I understand that no benefits will be provided for any preexisting condition as defined in the policy. Preexisting condition means an illness, injury, disease, or physical condition for which medical advice, diagnosis, care or treatment, including the use of prescription drugs, was recommended or received from a licensed health practitioner during the six (6) months immediately preceding the member's effective date of coverage. This is not a continuation of any previous BC Life & Health policy. This policy is not renewable.

**Requirement for Binding Arbitration:** If you are applying for coverage, please note that Blue Cross requires binding arbitration to settle all disputes, including claims of medical malpractice. California Health and Safety Code Section 1363.1 and Insurance Code Section 10123.19 require specified disclosures in this regard, including the following notice: **"It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration."** Both parties also agree to give up any right to pursue on a class basis any claim or controversy against the other.
